We love teaching this course because we are so passionate about our subject, and we work constantly to try to inspire the same passion in our students through the creative use of resources and through striving to constantly engage students in exciting and diverse subjects. Small group settings mean that our students thrive and feel confident to experiment and takes risks with their language, which is extremely rewarding for both ourselves and our students.

Our students say: "It's great to get to grips with some really interesting cultural topics which give us amazing insights into Spain and the Spanish speaking world as well as developing our language!"

If you love Spanish, we really recommend you watch:

1) El Espíritu de la Colmena

2) Los santos inocentes

What future pathways are open to me if I study Spanish?

Universities offer a variety of language and linguistics courses, and employers are constantly looking out for students with a grounding in a foreign language.
A Spanish A Level is considered a facilitating subject for most other degree courses, and blends fantastically with any other subject combination A Level.
