# 1. Policy statement and principles

## 1.1. Policy aims and principles

- 1.1.1. This policy is designed to ensure there is an open and fair admissions procedure for all applicants and to help guide parents and their children through the application process. The academy's admissions arrangements will not disadvantage unfairly, either directly or indirectly, a child from a particular social or racial group, or a child with a disability or special educational needs, and that other academy policies do not discourage parents from applying for a place for their child.
- 1.1.2. This policy details the academies arrangements for admissions and will apply to all admissions from September 2023 to August 2024. This includes in-year admissions within this period.
- 1.1.3. Parents are encouraged to visit the academy with their child if they are planning to apply for a place. We have a number of open days during the year, these will be publicised on CNS website and in local press. Arrangements for visits outside these dates can be made through the academy office, 01603 274000.
- 1.1.4. The Academy Trust will consult on the admissions arrangements at least once every seven years or if there are proposed changes to the admission arrangements which require consultation.
- 1.1.5. This policy is consistent with all other policies adopted by OAT / the academy and is written in line with current legislation and guidance.

## 1.2. Monitoring and review

- 1.2.1. This policy will be reviewed annually or in the following circumstances:
  - Changes in legislation and / or government guidance
  - As a result of any other significant change or event
  - As the result of a decision of an Adjudicator
  - In the event that the policy is determined not to be effective
- 1.2.2. If there are urgent concerns these should be raised to the Headteacher in the first instance for them to determine whether a review of the policy is required in advance of the review date.

# 2. Academy admissions

- 2.1. The academy admits students between the ages of 11 to 18. The main intakes are:
  - Secondary
  - Sixth form

2.2. We encourage entry at the academy's main intake time so as to aid academic progression without interruption, however, applications are welcome for entry in any year.

## 2.3. Definitions

2.3.1. The academy uses the following definitions when applying this policy:

## 2.4. Distance

2.4.1. This is the straight line distance between the academy main gate and the child's home address (front door).

2.4.2. Where two dwellings with the same front entrance the closest dwelling to the front door (lower floor and counting clockwise) will be regarded as being closer to the academy. If following the application of admission rules and distance two applicants cannot be separated for a final place at a school the authority will use random allocation to determine the priority for the remaining place.

## 2.5. Dual address

2.5.1. Where a child lives at two different addresses, the 'home' address will be determined as the address at which the child resides for the majority of school nights. School nights are Sunday night to Thursday night inclusive. In a case where the child spends an equal number of school nights at each address, then the address where the child benefit is paid will be used. Where no child benefit is claimed the address used to register the child with a doctor will be used.

## 2.6. Siblings

2.6.1. A sibling is defined as:

- A brother or sister (including half brothers or sisters) who shares one or both parents, whether or not resident in the same household
- A step-brother or sister where the two children are related by a parent's marriage
- An adopted or foster child living in the same household under the terms of the resident's order
- Another child living in the same household where the adult has parental responsibility

2.6.2. In the case of twins or other children from multiple births (two or more siblings in one year group) and where only one place is available, the application will be considered together as one application.

## 2.7. Eligibility criteria

2.7.1. Entry to the academy is subject to the regulations regarding nationality, residency status and eligibility to study in the United Kingdom. Students / pupils are eligible to be admitted to the academy if:

- They are British citizens and / or EU nationals
- They are a non-EU national that has –
  - 'Exceptional' or 'Indefinite Leave to Remain' in this country

- Refugee status

## 2.8. Waiting list

- 2.8.1. If the number of applicants exceeds the number of places available, children who have been refused a place will be automatically placed on a waiting list unless there is a specific request that this should not happen. The child may gain entry to the academy if a place becomes available.
- 2.8.2. The academy will maintain a waiting list until 31 December following the main academy intake. Each added child will require the list to be ranked again in line with the academy's oversubscription criteria in which the application was originally considered. Priority will not be given to children based on the date their application was received or the date when they were added to the list.

## 2.9. Withdrawal of a place

- 2.9.1. The academy will only withdraw an offer of a place if:
  - The place was offered in error
  - Acceptance of the place was not received in a reasonable period of time
  - The offer was obtained through a fraudulent or intentionally misleading application (the academy may request evidence to ensure the child meets the admissions criteria) – if this occurs the application will be considered afresh
- 2.9.2. The academy will not withdraw the place if the student has started at the academy unless the place was obtained fraudulently. If this is the case then the academy will decide whether to withdraw the place based on the circumstances including the length of time the child has been at the academy.

## 2.10. Determining arrangements and consultation

- 2.10.1. Admissions arrangements will be set annually, this will happen even if there are no changes from previous years and a consultation is not required.
- 2.10.2. If the academy changes any significant aspect of the admissions procedure then OAT will be informed prior to making changes and beginning the consultation process. Any significant changes proposed by the academy must be approved by OAT.
- 2.10.3. The academy will consult on admissions arrangements when changes to the academies' arrangements are proposed (no consultation is required for an increase in PAN or changes to ensure compliance with the admissions regulations). Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that we must consult on our admission arrangements at least once every seven years, even if there have been no changes during that period.
- 2.10.4. We will publish any consultation for admissions on our website and notify appropriate stakeholders. If there are any substantive responses to the academy's consultation then these will be sent to OAT. Any subsequent changes will be made in consultation with OAT.

2.10.5. Once our admissions arrangements have been determined we will notify the appropriate bodies and publish a copy of the determined arrangements on our website.

## 2.11. Admission of children outside their normal age group

2.11.1. Parents may seek a place for their child outside their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. If parents wish to do this they must contact, in the first instance, the Headteacher on 01603 274000 or via [office@cns-school.org](mailto:office@cns-school.org). Contact with the academy must be made at the earliest opportunity to avoid any delays in the application process.

2.11.2. The decision whether a child is admitted outside of their normal age group will be made on a case by case basis by the academy's governing body. A panel of at least three governors will consider the admission request based on the student's:

- Academic ability
- Social and emotional development
- Views of the parents and principal; and
- Any additional relevant information available

2.11.3. The panel will have to be satisfied that the child would be able to cope with the work of the year applied for **and** that the student would be able to cope with the personal development whilst being with a year group who are of a different age. In order to support any application parents will need to submit evidence to demonstrate that the admission into a different year group is in the best interests of the child.

2.11.4. Once the governing body has made a decision the child can then apply to the academy using the process detailed in this policy. Parents have a statutory right to appeal against the refusal of a place however this right does not apply if the child is offered a place at the academy but it is not in their preferred age group.

## 2.12. Complaints about admissions arrangements

2.12.1. Any person, or body, can make an objection to the Schools Adjudicator when they consider the academy's arrangements are unlawful, or not in compliance with the School Admissions Code / relevant legislation relating to admissions.

2.12.2. Complaints about the appeals panel can be made to the Secretary of State.

### 3.3. Selection criteria

#### **Places based on Musical potential and aptitude (10%)**

- 3.3.1. Parents who wish to apply for their child to be considered for admittance under the criteria of potential for or aptitude in Music must complete an Expression of Interest Form, available from the Academy. When completed, the form should be returned to the Headteacher by the date indicated on the form, of the year prior to transfer. The academy will audition pupils with an expression of interest and will make every reasonable effort to inform parents of the outcome prior to parent's submission of the Common Application Form to the Local Authority.
- 3.3.2. If the number of applications is less than the number of spaces then all children will be offered places.

### 3.4. Oversubscription criteria

- 3.4.1. If the academy receives more applications than there are available places the children with the academy named on an education, health care plan (EHCP) or equivalent will be automatically admitted to the academy. If there are still places available, priority for admission will be given to those children who meet the oversubscription criteria set out below:
- 3.4.2. Looked after children and those who were previously looked after but immediately after being looked after were adopted or became subject to a child arrangements order or special guardianship order. A looked after child is a child who is in the care of a local authority, or being provided with accommodation by a local authority in the exercise of their social services functions (definition used is in Section 22(1) of the Children Act 1989)

3.4.3. Children who are due to transfer and have an older brother or sister already at the school at the tie of admission, including sixth form. 3.4.6 Children who are due to transfer living nearest to the academy will be measured on a straight line crow flies basis using Ordnance Survey data; if following the application of admissions rules and distance, two applicants cannot be separated for a final place, the academy will be determined by the local authority who manages our admissions using random allocation to determine the priority of the remaining place.

### 3.5. In-year admissions

3.5.1. Applications for in-year admissions are considered in the same way as those made at the beginning of the academic year and are dealt with in accordance to the local authorities Fair Access Protocol. In year admissions forms can be obtained from Norfolk County Council.

3.5.2. Students included in the Fair Access Protocol will take precedence over those held on the waiting list. Once a student has been identified for admission to the academy under the Fair Access Protocol the academy will notify the local authority within seven calendar days of the decision to accept or refuse the student's admission.

3.5.3. If the academy refuses entry, the local authority may request a direction from the Education Funding Agency (on behalf of the secretary of state). The academy will set out its reasons for refusal in writing to the local authority within 15 calendar days (for CLA this is reduced to 7 calendar days) and may make further representation directly to the EFA (these will be made within 7 calendar days). The decision of the secretary of state will be binding upon the academy.

### 3.6. Unsuccessful applications

3.6.1. The academy will inform the child's parent if a decision has been made to refuse their child a place at the academy for which they have applied, this will include the reason why admission was refused, information about the right to appeal, deadlines and contact details.

3.6.2. A child is allowed to be on the academy waiting list while lodging an appeal and the appeal will not affect their position on the list. The decision of the panel is binding on the academy.

## 4. Sixth form admissions

The process detailed in this section is for admissions for sixth form admissions. For further information on this process please contact Mrs K Blake, Post 16 Support Services Manager on 01603 274060.

- 4.3.1.1. For entry into Sixth form for September 2023 to study 3 A Levels, students are required to achieve 5 grades at 9-5 (or where applicable A\*-C) including English and Mathematics at Grade 4 or above.
  - 4.3.1.2. In exceptional cases, students that do not reach the entry criteria based on their attainment in English or mathematics will be admitted to the 6<sup>th</sup> form with the addition of GCSE retake classes in the appropriate subject to their timetable.
  - 4.3.1.3. While we would encourage students to study 3 A levels, in exceptional cases and following conversation at interview we may support a student to study 4. All students will have the option to study for Extended Project Qualification (EPQ) alongside their A levels.
  - 4.3.1.4. Although a grade 6 or B is recommended in any subject that a student wishes to continue at A Level, all students applying to Sixth Form will benefit from an interview in order to discuss entry criteria for specific subjects and to ensure that their subject choices match their goals and aspirations.

4.3.1.5. Students wishing to study Further Maths require a Grade 7 in the subject at GCSE.

4.3.1.6. Crucially, the interview provides an opportunity for prospective students to find out more about Sixth Form life at CNS and benefit from information, advice and guidance.

4.4.1.4 Student who are living nearest to the academy will be measured on a straight line crow flies basis using Ordnance Survey data; if following the application of admissions rules and distance, two applicants cannot be separated for a final place, the academy will be determined using random allocation.

#### 4.5. In-year admissions

4.5.1. Applications for in-year admissions are considered in the same way as those made at the beginning of the academic year. We will also consider whether it is appropriate to place a student in the class late based on the learning that has been missed. If the student is

transferring from another sixth form and was doing an equivalent course this will be taken into account in deciding whether a place can be offered.

4.5.2. In-year admissions forms can be obtained from Mrs K Blake.

4.5.3. If the academy refuses entry, the local authority may request a direction from the Education Funding Agency (on behalf of the Secretary of State). The decision of the Secretary of State will be binding upon the academy.

#### **4.6. Unsuccessful applications**

4.6.1. The academy will inform the child's parent if a decision has been made to refuse their child a place at the academy for which they have applied, this will include the reason why admission was refused, information about the right to appeal, deadlines and contact details.

### What constitutes Consultation?

Consultation involves sending out the school's proposed admission policy **before** it is determined to invite comments or objections. Schools **MUST** consult with, i.e. send their proposed admissions policy to:

- Parents of children between the ages of two and eighteen
- Other person in the relevant area who in the opinion of the school have an interest in the proposed arrangements
- All other admission authorities within the relevant area (except that primary schools need not consult with secondary schools). This would include any other school in the borough which is their own admission authority.
- The local authority
- Any adjoining neighbouring local authority
- The Diocese [if applicable]

Good practice would be to ask all your feeder primary schools to send out letters to parents, put a notice in your local paper, advertise the consultation in other local areas or community centres etc. Make a record of all the ways in which you ensured the community was informed of the consultation.

For the duration of the consultation period, the school **MUST** also publish a copy of their full proposed admission arrangements on their website together with details of the person within the school to whom comments may be sent and the areas on which comments are not sought. Schools **MUST** also send upon request a copy of the proposed policy to any of the person or bodies listed above inviting comment.

Failure to consult effectively may be grounds for subsequent complaints and appeals and so it pays to get the consultation right.
