Vision: “To be a vibrant CNS that is renowned for excellence”

Our motto: “Excellence in all”

As a CNS with a strong tradition of 109 years, CNS will continue to maintain its values and ethos especially when pressures may compromise our beliefs. At the very heart of our ethos is being a truly comprehensive CNS that supports the care and development of the whole individual. Our values are:

- To aim to excel at every single thing we do;
- To treat everyone and everything with respect, consideration and tolerance;
- To act with integrity at all times and in all situations;
- To take pride in ourselves and the CNS and to display that pride;
- To treat everyone equally and value their individuality and uniqueness;
- To trust those who we work with and members of our CNS community

Our values will be seen through behaviours, attitudes and standards throughout the whole CNS and at all times. They will apply to “everything, all the time, everywhere”.
