## **Course undertaken: SSAT Leadership Legacy Project**

**Status:** In progress

SSAT Leadership Legacy Project is a one-year course to develop teachers who have been identified to have the potential to be outstanding leaders.

---

### **Impact on current role:**

This has allowed me to deliver sessions on SDD 1 and to ITT as part of their in school PD programme.

---

### **How has the course enhanced your leadership:**

I've been able to devote time and take responsibility for specific aspects of the English curriculum, particularly around the use of homework for specific students and the teaching of vocabulary for all.

I have now been appointed as ITT Co-ordinator.

---

### **Name the best aspect of your course/role:**

An opportunity to reflect on my practice and develop it as a classroom teacher.
