April 2024

Dear parents and carers

We have an exciting term ahead at CNS and I am writing to you with information for the summer term.

Surveys completed this year by Y9-11 parents and carers asked that we communicate more with you about what your child will be studying and events affecting you and your child. In response to this please see below the relevant assessment information for each year group. In addition, we are updating our curriculum links on our website and will update you when these are published. We will be sharing a survey with Y7 & 8 parents and carers later this term with questions relevant to your child's stage of education.

I am sure you will join with me in wishing all our Y11 and Y13 students' good luck in their GCSE, Level 2, and A Level, L3 exams this term. Students have worked exceptionally hard, and we could not be prouder of them!

I am also delighted to share that CNS has been awarded the United Against Bullying Gold School Status, something achieved by only 11% of schools nationally.

There are a high number of exciting educational and cultural trips and visits running this term which will result in planned teacher absence. Please note that the school will be closed on May 6th for the May Bank holiday, and we break up for half term on May 24th returning to school on June 3rd. Due to the production of Grease and the music tour to Italy, the CNSFest will return in the summer of 2025!

Yours sincerely

Ms J Philpott
Headteacher
