1.Aims

- 1.1. This policy aims to:
- Set the academy's approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how the academy will avoid discrimination in line with its legal duties under the Equality Act 2010
- Clarify the expectations for school uniform.

2.Legal duties under the Equality Act 2010

- 2.1. The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.
- 2.2. To avoid discrimination, the academy will:

Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
Make sure that the uniform costs the same for all pupils
Allow all pupils to have long hair (whilst reserving the right to ask for this to be tied back)
Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
Allow pupils to request changes to swimwear for religious reasons
Allow pupils to wear headscarves and other religious or cultural symbols
Allow for adaptations to the policy on the grounds of equality by asking pupils or their parents to get in touch with their House leader who can answer questions about the policy and respond to any requests.

3.Limiting the cost of school uniform

- 3.1. CNS help and support to access our school uniform:
- The current uniform is affordable and easy to access and maintain.
- Uniform trousers and skirts are widely available.
- If you need help or support, then please contact the school to discuss options.

- 3.2. The academy has a duty to make sure that its uniform is affordable, in line with <u>statutory guidance</u> from the Department for Education on the cost of school uniform.
- 3.3. We understand that items with distinctive characteristics (such as branded clothing, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

3.4.	We w	ill make sure our uniform:
		Is available at a reasonable cost
		Provides the best value for money for parents/carers
3.5.	We w	ill ensure this by:
		Carefully considering whether any items with distinctive characteristics are necessary
		Limiting any items with distinctive characteristics where possible. We only ask that students wear the CNS polo shirt with their house name.
		Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
		Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
		Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
		Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
		Avoiding different uniform requirements for different year/class/house groups
		Avoiding different uniform requirements for extra-curricular activities
		Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels
		Making sure that arrangements are in place for parents to acquire second-hand uniform items
<		Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
		Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
